- **RFP Introduction**

This RFP is issued by King County's Procurement Services Section for the King County Solid Waste Division, for procurement of a Municipal Solid Waste Compactor. The compactor will be installed at the First Northeast Transfer Station. The compactor will load five (5) 40 to 48 foot length intermodal containers on chassis and/or 45 to 49 foot length conventional walking-floor transfer trailers at an average payload of 27 long tons (30,000 pounds) in a period of one (1) hour.

- **Inquires**

Inquiries concerning the procurement process shall be directed to the Buyer, Jim Engan, by e-mail at jim.engan@metrokc.gov or at phone number 206-684-1053.
